Stars in the sky

It's just a letter from a friend of mine  
F G C  
A little picture from another time  
C Em F G  
A little picture of a place that we used to go  
C Em  
A word or two about a friend we miss  
F G C  
A fond reminder of a promised kiss  
C Em F G  
A fond reminder of a vow we made long ago

Stars in the sky...

We went away when we were very young  
To find the person who we would become  
To find the person who was hidden somewhere inside  
What we discovered these it still holds true  
The friends you make become a part of you  
The friends you make will each return to you like the tide

Stars in the sky...

And if by chance you should be going there  
Please take this message that I hope you'll share  
Please take this message to the ones to young to have learned  
The time is short and there's so much to do  
Don't waste a moment of what's given to you  
Don't waste a moment 'cause you'll never see it return

Stars in the sky...
